Annual Report: Key Initiatives and Achievements

VISION AND MISSION

The vision of the school is to nurture responsible, confident, and compassionate individuals who contribute positively to society. The mission is to provide quality education that fosters intellectual growth, moral values, and life skills among students.

Being a DAV institution, the school strongly believes in promoting a perfect blend of the modern scientific world and the rich Vedic heritage of our country. The aim is to nurture children with strong human values, cultural roots, and academic excellence, enabling them to face global challenges with confidence and integrity.

ENVIRONMENTAL EDUCATION INITIATIVES

The school has taken significant steps towards environmental sustainability. A rainwater harvesting system has been initiated to conserve water resources. Awareness programmes such as poster-making activities, nukkad natak (street plays), and campaigns are regularly organized to sensitize students and the community.

The institution is also making continuous efforts to develop a **Zero Polythene Campus**. Emphasis is laid on eco-friendly practices, proper waste disposal, and creating a sense of environmental responsibility among students.

SPORTS ACHIEVEMENTS

The school has performed commendably in sports activities:

- **19 students** participated at the Cluster Level in athletics, chess, and badminton.
- **11 students** qualified for the Zonal Level.
- **4 students** were selected at the National Level in chess and badminton, bringing great pride to the institution.

ACADEMIC EXCELLENCE

The school has achieved remarkable academic success:

- 100% result in Class V and Class VIII Board Examinations.
- Continuous support is provided to below-average students through remedial classes and individual attention, ensuring inclusive academic growth.

In competitive examinations:

- 127 students participated in SOF Olympiads across subjects such as GK, Hindi, Mathematics, Science, English, and Computer Science.
- 25 students qualified for Level 1.
- 1 student achieved International Rank 1, winning a gift voucher of ₹1000, along with a Certificate of Merit and Gold Medal.

Additionally:

- 52 students (Classes VI to VIII) actively participated in the DAV Olympiad, reflecting strong academic engagement.

INNOVATIVE PRACTICES

The school continuously introduces innovative approaches to enhance learning:

- The concept of a **“Mother Teacher”** has been implemented for classes Nursery to II, ensuring emotional security, consistency, and holistic development of young learners.
- A **Creative Corner in the library** has been established, providing students a platform to **showcase their hidden talents and creativity**, encouraging self-expression and innovation.

PTA (PARENT-TEACHER ASSOCIATION) ACTIVITIES

The school believes in strong collaboration with parents:

- Monthly PTMs (Parent-Teacher Meetings) are conducted regularly.
- Parents actively contribute through feedback and suggestions, playing a vital role in the continuous improvement of school practices and student development.

SCHOOL MANAGEMENT COMMITTEE (SMC) DECISIONS

The School Management Committee has taken several impactful decisions:

- Providing support to underprivileged yet talented students in various fields.
- Initiating complete digitization of school operations for better efficiency and transparency.
- Promoting a plastic-free campus and ensuring proper waste management systems.
- Encouraging inclusive, sustainable, and progressive educational practices.

The school continues to move forward with a clear vision of holistic education by blending tradition with modernity. With consistent efforts in academics, co-curricular activities, environmental awareness, and value-based education, the institution remains committed to shaping well-rounded individuals ready to excel in all spheres of life.
